

Volunteer Opportunities

Elizabeth's New Life Center, a local 501(c)(3) non-profit organization, thrives because so many in the community volunteer their time and talent in support of our mission. We offer a wide range of volunteer opportunities, and we have volunteers spanning all age groups. Most of our volunteer opportunities are during business hours, however we do have occasional special events and projects that require volunteers on evenings and weekends. Volunteers can serve through a regular commitment or on an as needed basis, depending on the role they choose.

Administration

Administrative volunteers help with data entry, mailings, copying, etc. on an as-needed basis.

Bottles for Babies

Volunteers assist with labeling bottles for each organization, dropping off and picking up bottles, sorting and counting money and depositing monies in the bank.

Boutique Assistance

Volunteers assist with receiving and displaying donations as well as serving clients in our boutiques.

Client Services (Consultant)

Volunteers are thoroughly trained in this capacity to meet with clients and educate them regarding their choices when faced with an unplanned pregnancy. They will also be trained on providing clients with caring support through the numerous services offered in our Women's Centers (min. 2 hrs/wk)

Education

Volunteers can use their specialized knowledge and conduct 1 on 1 or group sessions with clients and patients.

Maintenance

Individuals or groups support us by performing regular or one-time projects to keep our facilities clean, safe and attractive.

Medical Support

LPN, RN, MD, RDMS, etc. volunteers assist in our Women's Centers for pregnancy tests, ultrasounds and other client services.

Mentor Mom/Mentor Dad

Use the "Love Your Baby" Curriculum to work 1 on 1 with mom's or dad's to educate and guide them to become better parents.

Post-Abortive Recovery

Volunteers guide individuals or groups who have had personal experience with abortion through the HOPE curriculum. Through their guidance, participants find Christ's forgiveness and healing in a supportive setting.

Prayer Support

Prayer requests are sent monthly to volunteers who ensure that all our programs, clients, and volunteers are supported through intercessory prayer. We also have a special group of Redemptive Sufferers who offer their suffering for our work in support of life.

Professional Services

We appreciate advice and assistance to address a variety of needs, including media, marketing, medical and legal issues.

Servant Leader

Leaders from the community are selected to support the mission of Elizabeth's New Life Center by serving on the Board of Directors, various task forces, advisory councils, or other committees.

Special Events

Volunteers assist with a variety of activities and events, including our Partnership Banquets, Baby Showers and Giving Tree.

Women's Center Receptionist

Volunteers help with answering telephones, client check-in, scheduling appointments and other administrative functions.
