

Elizabeth's New Life Center would be honored to have you participate in our ***Bottles for Babies*** campaign, an ongoing campaign that directly supports our ministry of providing positive solutions to unexpected pregnancies by offering free pregnancy tests, ultrasound scans, consulting/mentoring, prenatal care and material assistance.

Bottles for Babies is a short and fun campaign any church, business, school or individual can do!

We provide a bottle that participants take home, fill with coins, cash, or check and then return it three weeks later. The proceeds from the bottles will be used to support the ministry of Elizabeth's New Life Center. Each bottle is tagged with a label and provides an opportunity for the individual to share their contact information so they can receive ongoing information from ENLC. Schools can also elect to have one large bottle for each classroom.

Here's what you need to do...

1. Accept to participate!
2. Set a goal for the number of babies your organization would like to save. It costs ENLC \$500 to save the life of 1 precious baby. This helps to motivate your organization to support the campaign.
3. Promote the project within your group and let them know the purpose of the project.
4. Distribute the bottles to your congregation, co-workers, students or friends and family. Be sure to physically hand them a bottle as at the campaign distribution kick off.
5. They then fill the bottles with coin, cash or check.
6. Remind the participants one week prior to the "date to return."
7. Set up a procedure to receive returned bottles, such as setting up a bassinet or play pen as a receiving center.
8. Collect the bottles on the preset date.
9. Return the bottles with contents to Elizabeth's New Life Center, or call us to arrange for pick-up.

Elizabeth's New Life Center will...

- Provide the bottles for the campaign
- Provide all promotional material (flyers, bulletin inserts, bulletin announcements)
- Pick up the bottles and count the monies and email the church the total collected
- Provide a speaker if desired to speak/promote the campaign.

We truly appreciate your consideration to support the pro-life ministry of Elizabeth's New Life Center through the Bottles for Babies project. Your simple act makes a lasting impact in the lives of women and babies by giving them an opportunity to learn, grow, and choose life through the network of several ***Women's Centers*** throughout the Miami Valley and surrounding areas.
