SAVING BABIES. CHANGING LIVES.

# FROM VIVIAN

Friends of ENLC,

First, I'd like to thank you for your generosity to our ministry over the years. We're happy to announce that 2019 is our 30th anniversary year. I'm certain Elizabeth's New Life Center wouldn't be here today if not for your prayers and financial support.

Second, I want to share how you have impacted our work. Over our thirty year history, ENLC has been able to save approximately 35,000 babies from abortion! These are mothers who were considered "at-risk" for abortion by national standards but made a decision for life. In addition, we've delivered 2,112 babies at Holy Family Prenatal Care and educated thousands of individuals on healthy relationships through Marriage Works! Ohio. The Lord has made these amazing accomplishments possible through you.

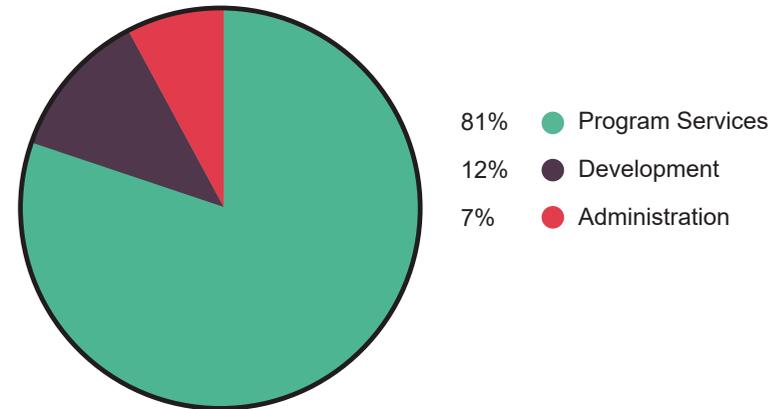

Furthermore, we're seeing incredible momentum in the pro-life movement as a whole. Governor DeWine has signed the Ohio Heartbeat Bill into law, making abortion illegal after a child's heartbeat in the womb is detected.\* Numerous other laws have been put into place restricting abortions, and the number of abortion clinics operating in the state is declining. No wonder we chose the theme of "Victorious" for our banquets this year.

This is an exciting time, but there are still lives at stake. We are asking you to help save them. By continuing to support Elizabeth's New Life Center, you will ensure women and families receive the care and compassion they need to choose life for their babies and get the support they need. And, hopefully in the next thirty years, we will see abortion become unthinkable in our country.

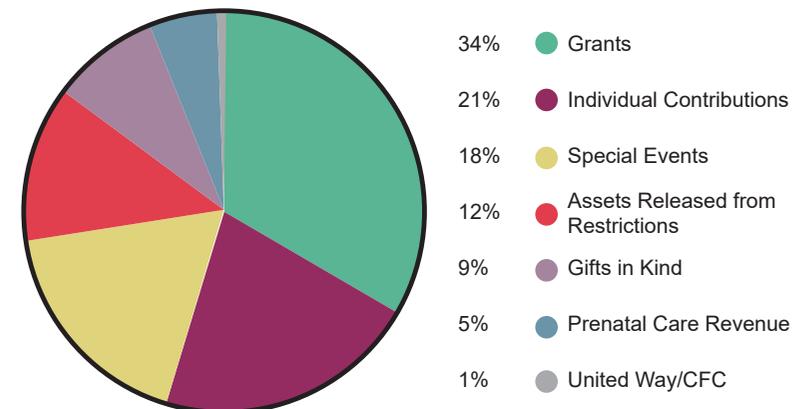

Victorious in Him,
